Dear Premier

In accordance with section 89ZF of the *Commission for Children and Young People and Child Guardian Act*, I hereby provide to you the Commission's annual report analysing the deaths of Queensland children and young people.

The report analyses the deaths of all children and young people registered in Queensland in the period 1 July 2005 – 30 June 2006 and makes recommendations to reduce or remove risk factors associated with deaths that may have been preventable.

Yours sincerely
